GPA Results

One of the methods to document and analyze the student learning outcomes is through the GPAs. This information is collected at the end of each term. The GPA provides a comparable measure of the student's achievement through their academic life.

Professional University Dr. Carlos J. Borrero Ríos uses for their program 3.01 GPA base line. This parameter is the same that our institution uses as a graduation requirement. The GPA is calculated on the 4.0 scale.
