Student Loan Debt Relief Is Blocked

Courts have issued orders blocking our student debt relief program. As a result, at this time, we are not accepting applications. We are seeking to overturn those orders. If you've already applied, we'll hold your application. [Subscribe and check back here for updates](#). We will post information as soon as further updates are available.

The [student loan payment pause](#) is extended until the U.S. Department of Education is permitted to implement the debt relief program or the litigation is resolved. Payments will restart 60 days later. If the debt relief program has not been implemented and the litigation has not been resolved by June 30, 2023 — payments will resume 60 days after that. We will notify borrowers before payments restart.
