

PLACEMENT RATES

The Professional University Dr. Carlos J. Borrero Ríos seeks to prepare students with the skills and knowledge they need for a direct entry into the job market. The institution contacts graduates to obtain information about their satisfaction with the preparation they received and to identify their current employment status.

Placement Results for MSA Program

Expected level of achievement	Year	Total number of Graduates	Total Number of Graduate Responding	Response Rates	Job Placement Rate
80 % of the graduates will have a job in nursing within six (6) months after graduation. *or after Board	2022	25	22	88%	80%*
	2021	19	16	84%	84%
	2020	11	8	73%	73%

***For year 2022 some graduates are still waiting to take the certification exam. Seven graduates are currently working as nurse anesthetists, while the rest is working in nursing.**
