When you're finished, a record of your completion will be sent to the schools you selected, and you can then receive your loan money. Keep in mind that you cannot save and leave an incomplete session; you must complete entrance counseling in one sitting.

Select Your Student Status to Begin

Your school may have different entrance counseling requirements. Check with your school's financial aid office to be sure that the counseling on this Web site satisfies your school's entrance counseling requirements.

If your school requires you to complete and return a written entrance counseling document, download [Entrance Counseling PDF](#).

I am an Undergraduate Student

Entrance counseling for undergraduate students is required if you have not previously received a Direct Subsidized Loan or a Direct Unsubsidized Loan.

The screenshot shows the Federal Student Aid website interface. At the top, there is a navigation bar with the following links: "Federal Student Aid", "UNDERSTAND AD", "APPLY FOR AD", "COMPLETE AD PROCESS", and "MANAGE LOANS". A user profile icon for "JELITA" is visible on the right. Below the navigation bar, a dark teal banner contains the text: "You may receive more than one loan under an MPN over a period of up to 10 years to pay for your or your child's educational costs, as long as the school is authorized to use the MPN in this way and chooses to do so. The school will tell you which loans, if any, you are eligible to receive." Below this banner, the heading "Choose the Direct Loan MPN you want to preview or complete" is displayed. There are two main options presented in white boxes. The first option is "I'm an Undergraduate Student" with a "Start" button. The second option is "I'm a Graduate/Professional Student" with a "Select MPN Type" button. A green arrow points to the "Select MPN Type" button. The URL "https://studentaid.gov/help-center" is visible at the bottom left of the page.
